

CERTIFICATE OF CONFORMITY OF FACTORY PRODUCTION CONTROL

This certificate is issued to:

Top Tubes Ltd
2 Smith Road, Wednesbury, West Midlands, WS10 0PD, United Kingdom

In compliance with the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, UK Statutory Instrument 2020 No. 1359, this certificate applies to the construction product:

Laser cutting of structural steel components up to Execution class 4. Structural steel circular, square and rectangular hollow section.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the following standard(s):

EN 1090-1:2009+A1:2011 Execution of Steel Structures and Aluminium Structures - Part 1: Requirements for conformity assessment of structural components

under system 2+ are applied and that the factory production controls fulfil all the prescribed requirements set out above.

The attached Schedule, of the same date, details the manufacturing location(s), harmonised product standard and product parameters and shall form a part of this certificate.

"This Certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly."

Certificate No.: 0038/CPR/PRJ11100405212/00
Original Approval: 18 April 2023
Current Issue: 18 April 2023
Certificate Expiry: 17 April 2026
Approved Body No. 0038
